About InMac

InMac aims to take the overall Indian textile and apparel manufacturing industry forward by ramping up industrial developments and bringing technologically advanced equipment, machinery, materials and service offerings to the Indian market on a single platform.

By doing so, **InMac** will strengthen India's position as the premier manufacturer of textiles and apparel in the world.

InMac Advantages

InMac is the definitive gateway and one-stop selling and sourcing platform which will showcase products, services and technologies related to the complete production chain to the Indian industry.

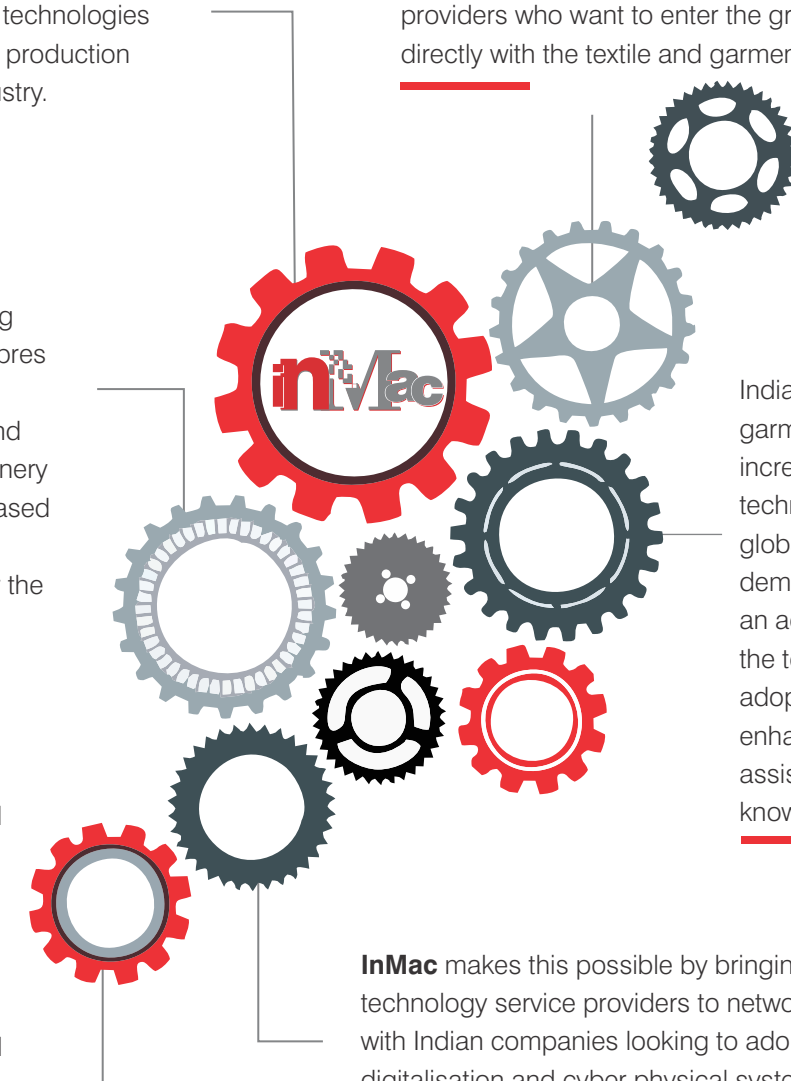

The show will cover the complete manufacturing chain from yarns and fibres to spinning, knitting, weaving, processing and garmenting. The machinery and technology showcased will be top notch but competitively priced for the Indian market.

India has just begun the process of digitised automation and Indian textile companies are functioning at various stages of automation depending on the size of the company. To fulfil demand, Indian industry needs to focus on building quality and scale.

InMac is the perfect platform for the Indian industry looking to experience the latest technological innovations and developments, and to enable machinery makers and service providers who want to enter the growing market to interact directly with the textile and garment industry.

India's large textile and garment industry needs increased interaction with technology providers to fulfil global and domestic demands. **InMac** will serve as an accredited B2B platform for the textile industry supporting adoption of technology, enhance investment, and assist in capacity building and knowledge sharing.

InMac makes this possible by bringing in technology service providers to network with Indian companies looking to adopt digitalisation and cyber physical systems to accelerate growth and build excellence both in manufacturing and consumer experience.

| Industry Friendly **Government Support**

India's textile industry friendly policies are fuelling growth, investment and adoption of technology in the recent years.

Government has allowed **100% FDI** in the Indian textiles sector under the automatic route.

Positive policies saw investments worth **US\$ 4.19 billion** from June 2017 till date and exports worth **US\$ 854.42 million**.

Industry friendly State Government Textile Policies (for example: Gujarat, Maharashtra, Karnataka) are rejuvenating textile industry with added benefits to investors.

| **India: Booming Opportunity**

India as the second largest textile manufacturing country in the world is also the second largest market for textile machinery and technology. The Indian market for textile machinery grew from **US\$ 1.1 billion in 2012-13 to around US\$ 1.5 billion in 2016-17**.

Huge demand = Huge opportunity

The Indian textile industry, currently estimated at around US\$ 150 billion, is **expected to reach US\$ 250 billion in 2019**.

To meet global & local demand, Indian textile & apparel manufacturers need to invest **US\$ 50 billion** in new machinery towards increased demand and **US\$ 25 billion** for replacing existing machinery by 2020.

Yarn manufacturing, weaving and processing machinery will attract **58% of the overall investments**.

Exhibit Profile

Textile

- Bleaching Machinery and Equipments
- Cloth Processing Machinery and Accessories
- Digital Printing Machinery and Accessories
- Dyeing Machinery and Accessories
- Fabric Washing Machinery and Equipments
- Integrated Textile and Garment Parks
- Jet Printed System and Equipments
- Knitting & Hosiery Machinery and Accessories
- Spinning & Weaving Machinery and Spare Parts
- Winding, Texturing and Twisting Machinery

Garment

- All kinds of Sewing Machinery and Spare Parts
- Braiding and Zipper-making Machinery
- Cutting and Laying Machines
- Digital & Screen Printing Machinery
- Embroidery Machinery and Equipments
- Fabric Grinding Machinery and Accessories
- Fabric Inspection Machinery and Equipments
- Intimate Apparel and Underwear Machinery
- Ironing and Steaming Equipments & Accessories
- Washing Machine and Equipments
